

WORK EXPERIENCE

Software Engineer

Zee5

04/2022 - 08/2023

Achievements/Tasks

- Designed, developed, and maintained critical components of Zee5's streaming platform, ensuring seamless content delivery to millions of users.
- Collaborated with cross-functional teams, including product managers and UX designers, to gather requirements and create technical specifications for new features and improvements.
- Implemented scalable and efficient algorithms for content recommendation, enhancing user engagement and content discovery on the platform.
- Utilized agile development methodologies to deliver high-quality software on time and within budget.
- Troubleshooted and resolved complex software defects, optimizing performance and enhancing the user experience.

EDUCATION

Bachelor of Engineering in Computer Science

Jaypee University of Engineering and Technology

India

Masters in Computer science

University of Hertfordshire

United Kingdom

SKILLS

Communication: Effective communication is a cornerstone of successful teamwork. I excel in conveying complex technical concepts in a clear and understandable manner to both technical and non-technical team members. Regular status updates, team meetings, and documentation are integral parts of my collaborative approach.

Responsibility and Accountability: I take ownership of my tasks and responsibilities, ensuring that my contributions align with project timelines and objectives. I am dependable and can be relied upon to meet deadlines and deliver high-quality work.

Conflict Resolution: In the face of disagreements or conflicts within the team, I approach these situations with diplomacy and empathy. I strive to find common ground and facilitate resolutions that benefit the project and maintain a positive team dynamic.

Problem Solving: Strong analytical and problem-solving skills, with a proven ability to troubleshoot and resolve complex technical issues efficiently.

Leadership: Experienced leader known for fostering collaboration and achieving exceptional results. A visionary with effective communication skills, adept at conflict resolution and empowering teams to reach their full potential while aligning with organizational values and goals.
